THIS IS NOT A NEW SALE—

2729 Shorthorn bulls and females have been sold in these Mid-Kansas Sales to buyers from California on the west coast to Texas on the Gulf, and to the Dakotas on the north. Here's one of your finest opportunities to join the continually growing list of satisfied customers of Mid-Kansas bulls and females.

STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

SALE MANAGER'S MESSAGE

Welcome again to another Mid-Kansas Shorthorn Sale. We have some choice Shorthorn and Polled Shorthorns selling in this sale.

Included in this sale is First prize two-year old bull at Denver and Fort Worth in 1969; also a half brother to the Champion and top selling Shorthorn bull at the 1969 Kansas State Sale, Hutchinson. There will be half brothers to former Mid-Kansas and other sale champions. There will be five cow and calf pairs that are outstanding; also, outstanding heifers for 4-H projects.

More cattlemen are realizing the value of cross breeding. Shorthorn cattle are known for that extra weight for age, plus their quiet disposition, that makes them easy to handle. A large percent of the Shorthorn bulls in this sale are purchased for cross breeding as well as registered herds.

This is not a new sale. Buyers from California, Texas, Idaho, the Dakotas and the Central States have bought in this sale. If you are in need of Shorthorn cattle, be in Salina, April 8 and 9.

Plan to attend the informal Banquet, Wednesday, April 8, 7:00 p.m., Holiday Inn, on the 81 By-Pass west of Salina. This general get-together is open to all. Come as you are. If you have not made reservations, come anyway. If you cannot attend this sale, you may phone or send mail bids to the sale manager, or any of the representatives. To contact sale manager for any late messages or bids, phone Salina Chamber of Commerce or sale barn at fairgrounds.

Cary A. Colburn

LOT 1

KAR BURN REVIEW 8th, first prize two-year-old bull at National Western, 1969.

Here is a bull that has proven himself in the show ring as well as a top sire. This 1st prize two year old at Denver and Fort Worth in 1969, has done an outstanding job for us. However, due to the fact we have cut back our registered operation, we can offer this tremendous young sire for sale. His calves look great, and he should be an asset to any herd.

When I bought her last summer from Harold Thieman she was by far the growthiest heifer on his place. She would of never have been sold except she was a horned heifer. My reason for selling her is I am going into the service and I am selling all of my registered cattle. This heifer should be one of the best females selling this year.
